DRITISH COMMERCIAL LIFE INSURANCE COMPADny-London and New York.—Capital, 83,000,000.—With
a large accumulated and bavated auripus in addition to
the capital, offers to parties decireus or effecting insurvance
on life the greatest possible sarley. It cannot be too often
pressed on the attention of the marrer, that accurity is the
first desideratum in life insurance stranscales, and that his
object is not obtained if the conviction be not indelibly impressed on his mind that the event or only indelibly impressed on his mind that the event or one you goasiles
which he wishes to guard is provided for under every possible
circumstance, from the moment he has puld his premium. It
is therefore manifest that the amount of capital of an insurance company should be sufficient, and invested with undoubted security, in order that its adequacy to mest any demand may appear beyond all question. California and
special risks taken as a low rate of premium as the circumstances of the case will admit of. This company has been in
successful operation upwards of thirty years. (Once 65 Wall
street.
